What is DCash?

- DCash is a digital version of the Eastern Caribbean (EC) currency.
- The Eastern Caribbean Central Bank (ECCB) is using the latest technology to provide a new payment option to advance financial services within its member countries.

With DCash You Can:

- Transfer digital EC dollars to other DCash users in any DCash pilot country.
- Pay for goods and services at DCash Merchants.
- Exchange DCash for physical EC dollars, and vice versa.

Download the DCash app from the [Google Play](#) or [Apple store](#).

Making a Payment is Easy!

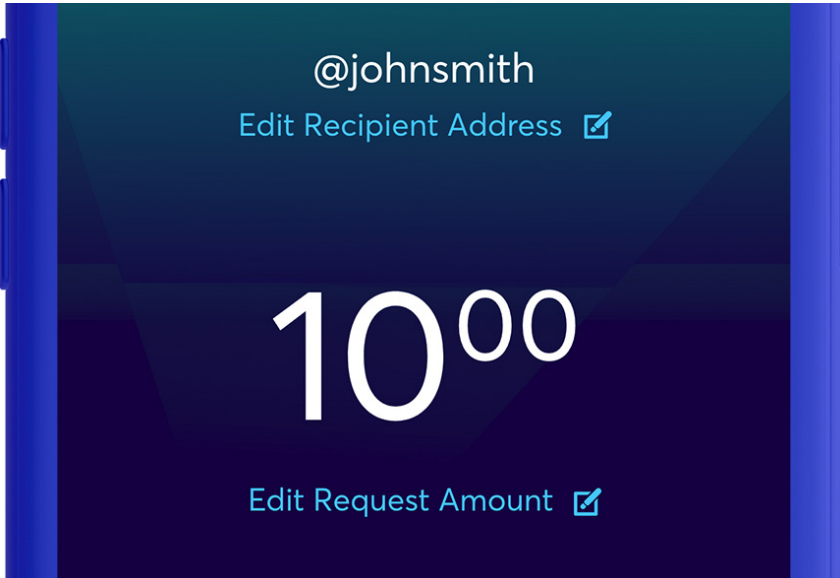

- 1 Tap **Pay** on the bottom of the wallet home screen.

- 2 There are three ways in which you can send a payment:

- **Payment QR Code**
If the person or merchant, to whom you are sending money, has the DCash wallet application, you can simply scan their payment QR code with your smart device.
- **Paste the Payment Code**
If you received the payment code of the recipient, via text message or another app, you can either tap the link, or copy and paste the code into the app.
- **Enter the Payment Code Manually**
To type the payment code yourself, tap [Enter Code Manually](#).

- 3 After you scan the payment QR code, tap the payment link, or manually enter the payment code, tap **Continue**, then enter the amount of the payment
- 4 Tap **Continue** again.
- 5 On the **Review Payment** screen, make sure that the recipient and the payment amount are correct.

- 6 Slide to **Send** the money.

Who is involved?

- The ECCB has partnered with financial institutions, businesses and consumers throughout the ECCB member countries (Anguilla, Antigua and Barbuda, the Commonwealth of Dominica, Grenada, Montserrat, Saint Christopher (St Kitts) and Nevis, Saint Lucia & Saint Vincent and the Grenadines).

DCash benefits

- Anyone, with a smart device, can download and sign up to use DCash.
- There are no hidden charges or fees for using DCash.
- DCash transactions are concluded faster than with cash or cards.
- DCash exists in your DCash account, accessible via your digital wallet on your smart device.
- Using DCash is safer than carrying large sums of money.
- If you lose your smart device, you do NOT lose your DCash.
- DCash is contactless. There is no required touching of other individuals or foreign objects.
- DCash is issued and guaranteed by the ECCB.
- DCash allows you to safely and instantly transfer money between individuals or businesses, locally or within the five participating pilot countries.

How do I sign up?

You can sign up in two ways:

1

Sign up through your financial institution

If you have a bank account, and your financial institution is participating in the pilot, contact your financial institution's customer service department to find out more.

Please contact your financial institution to confirm participation.

2

Sign up without a financial institution

If you do NOT have a bank account, download the DCash app, from [Google Play](#) store or [Apple store](#), and select the option 'Sign up without a code' when going through the sign up process.

A DCash Agent will verify your application and manage your customer service enquiries during the pilot.

After your application has been approved you can visit one of our many Merchant Tellers to exchange Cash for DCash and vice versa.
